PROFESSIONAL SUMMARY

A passionate and results-driven Full-Stack Web Developer with over 3 years of hands-on experience in developing scalable, secure, and responsive web and mobile applications. Proficient in both frontend and backend technologies including Angular JS, Node JS, Laravel, MongoDB, Redis, Flutter, Spring Boot, and MySQL. Experienced in API integration, database management, cloud deployment, and digital strategy. Recognized for strong problem-solving abilities, leadership in project management, and delivering high-quality, user-focused software solutions within deadline-driven environments.

CORE COMPETENCIES

- Client Communication & Digital Strategy
- RESTful API Design & Integration
- Project Leadership & Agile Team Collaboration
- Full-Stack Web & Mobile Application Development
- Cloud & Server Deployment (Linux, Apache, MinIO, AWS)
- Database Management (MySQL, PostgreSQL)
- Security, Authentication & Performance Optimization

PROFESSIONAL EXPERIENCE

Stackly, Salem, India

PHP Developer

Feb 2026 - Present

- Developing high-performance SaaS applications with scalable backend architecture.
- Implemented secure authentication systems using JWT, OTP verification, and AES-256 encryption.
- Designed and developed RESTful APIs with optimized database performance.
- Integrated real-time features using WebRTC and Firebase Cloud Messaging (FCM).
- Collaborating with cross-functional teams in Agile methodology for product development.
- Contributing to system architecture design, security enhancement, and production deployment.

Tecnozard Private Limited, Pondicherry, India

Senior Web Developer

Jan 2025 - Feb 2026

- Leading the development of full-stack web applications using Angular, Laravel, and Spring Boot.
- Designed and implemented secure, high-performance APIs for real-time business applications.
- Deployed and maintained production servers and cloud storage solutions (MinIO, Apache).
- Collaborated with cross-functional teams to define project requirements and ensure timely delivery.
- Mentored junior developers and contributed to process optimization within the development cycle.

Thikse Software Solutions, Villupuram, India

Web Developer

Sep 2024 - Jan 2025

- Developed and enhanced live e-commerce platforms using Angular and Spring Boot.
- Integrated payment gateways (Razorpay) and optimized API communication for better performance.
- Participated in client meetings to translate business needs into functional features.
- Contributed to UI/UX improvement and frontend responsiveness.

Netaxis IT Solutions Private Limited, Chennai, India

Web Developer

Dec 2022 - June 2024

- Collaborated on multiple full-stack projects involving frontend and backend integration.
- Designed user-friendly interfaces and developed secure APIs for client applications.
- Assisted in version control, testing, and deployment across production environments.
- Strengthened project delivery pipelines through automation and continuous integration.

EDUCATION

- Master of Computer Applications (MCA)**
Jain University, Bangalore, India
- Bachelor of Vocational in Software Development & System Administration**
St. Joseph's College, Trichy, India

TECHNICAL SKILLS

- Frontend:** Angular JS, HTML5, CSS3, JavaScript, Bootstrap
- Backend:** Node JS, Laravel, Spring Boot, PHP, Java
- Mobile:** Flutter
- Database:** MySQL, PostgreSQL, MongoDB
- Cloud & Tools:** Apache, MinIO, AWS (Basic), Git, Docker, Ubuntu Server
- Other:** API Security, JWT Authentication, Payment Gateway Integration
